BE A CHAMPION!

The esteemed title of Trick Dog Champion is awarded to exceptional dogs who demonstrate outstanding skill in performing a large number of difficult tricks, and who also demonstrate skill in every category of foundation behaviors. As with all Champion titles, this title (noted as TDCH) is appended to the prefix of your dog's name. The Trick Dog Champion title is recognized by CKC.

HOW DO I EARN THE TDCH TITLE?

First, earn your Expert Trick Dog (ETD) title. Because of the importance of a Champion title, we require a video submission to be reviewed by *Do More With Your Dog!* staff evaluators. If you don't pass, you may resubmit any portions of video requested by the evaluator.

To earn their TDCH, the dog must demonstrate skill in every foundational behavior category, including retrieving, targeting, distance work, etc. The Champion title is different than the lower titles in that it is judged as a "work as a whole." If a dog is exceptional in some categories, and a little below par in another, they may still pass. We want to see a well trained, versatile, happy dog.

The primary venue for dog tricks is in performances, demos, therapy visits, musical canine freestyle, and animal acting. The tricks will be judged in the context of these applications. The dog should be confident, consistent, happy, and able to work at a distance from you.

RULES:

AGE: 6 month minimum. Stay tuned for a Puppy CH title.

COLLARS/LEASHES: Aversive collars are not permitted. Shall be off-leash (unless prohibited by local leash laws, in which case an unrestrictive harness and long-line shall be used).

CUES: The handler may give multiple cues within reason (about 3 cues). Praise and encouragement at any time is fine.

SERVICE DOGS/DISABLED/SENIOR DOGS: We commend your endeavor. We recognize that these dogs may have unique needs and will work with you to establish alternate criteria.

SUBSTITUTIONS: At the champion level, we allow you to substitute similar tricks which demonstrate the same skill being tested. Email us with your questions.

TREATS: Treats and toys may be used as a reward after the trick is finished, but may not be used to lure the dog into the behavior. Keep treats hidden in a pocket or treat bag.

HELPERS: The dog shall be handled by only one trainer. No other person may help with the trick (except as specified for a particular trick).

PHYSICAL MANIPULATION / PRESSURE: Handler may not physically manipulate the dog. Petting is fine. Pressuring the dog (which may include stern voice, stern eye-contact, crowding or hovering over the dog, or putting your face or hands close to the dog's head) is not permitted.

QUALIFYING: Applicant has 3 months to resubmit any portion of the test that did not qualify, at no additional cost. Application fee will not be refunded.

VIDEO TIPS FOR SUCCESS!

- If possible, compile tricks into one video
- Check your surroundings and attire
- Remove slip collar
- Give your little champ a kiss on the head ;)
